Hiring Manager,

Denhams Beach Care Community, 269 Beach Road, Denhams Beach, New South Wales, Australia

Re: Application for Assistant in Nursing

Dear Hiring Manager,

It is with great enthusiasm that I submit my application for the Personal Care Worker position at Denhams Beach Care Community. Having followed Opal HealthCare's reputation for excellence and its "CARE" values—Compassion, Accountability, Respect, and Excellence—I am eager to contribute my clinical skills and dedicated work ethic to your team in South Australia.

In my current role as an Assistant in Nursing (AIN) at Catholic Healthcare, I provide person-centered care for over 40 residents per shift, many with high-acuity needs including dementia and chronic health conditions. My professional background is built on a foundation of safety, clinical accuracy, and emotional support. Key highlights of my experience include:

- **Clinical Proficiency:** Expertly conducting physiological monitoring (BP, Pulse, Temp, SpO2) and Blood Glucose Monitoring with real-time documentation in eCase.
- **Specialized Care:** Skilled in managing behaviors of concern in dementia settings using validation and redirection techniques to ensure resident dignity.
- **Manual Handling:** Fully certified and experienced in the operation of full-body hoists, stand-up lifters, and slide sheets, maintaining a 100% safety record.
- **Collaborative Mindset:** Partnering effectively with Registered Nurses, Physiotherapists, and Lifestyle Coordinators to execute individualized care plans.

I am highly motivated to pursue this opportunity at Denham Beach and am fully prepared to relocate to a regional area to support your community. While I currently hold full working rights in Australia, I am open to sponsorship opportunities should they be available, as I am seeking a long-term career commitment with a leading provider like Opal HealthCare.

I am a reliable professional who remains calm under pressure and is committed to bringing joy to those I care for. I have a current NDIS Worker Screening Check (Cleared) and am ready to undergo any further medical or police clearances required for this role.

I am available for an interview at your earliest convenience and can be reached on 0452 507 848. Thank you for your time and for considering my application to join the Denhams Beach Care Community.

Yours sincerely,

Bina Bhandari
