Status: Full Working Rights | Availability: Full (Morning / Afternoon / Night / Weekends)

PROFESSIONAL SUMMARY

Dedicated and highly reliable Personal Care Assistant (PCA) / Assistant in Nursing (AIN) with extensive experience in high-acuity aged care and disability support. Proven expertise in providing person-centered care, complex manual handling, and precise physiological monitoring. Highly proficient in eCase for real-time clinical documentation and committed to maintaining 100% compliance with the Aged Care Quality Standards. Known for a calm, professional demeanor in dementia and palliative care settings, with a strong focus on resident dignity and independence.

CORE COMPETENCIES

- **Clinical Support:** Vitals Monitoring (BP, Pulse, Temp, SpO2), Blood Glucose Monitoring, Nutrition & Hydration.
- **Specialized Care:** Dementia & Cognitive Support, Palliative Care, High-Acuity Disability Care.
- **Mobility & Safety:** Complex Manual Handling (Full-body/Standing Hoists, Slings, Slide Sheets), Falls Prevention.
- **Technical Skills:** Real-time Documentation (eCase), Incident Reporting (WHS), Care Plan Implementation.

PROFESSIONAL EXPERIENCE

Catholic Healthcare | Kirrawee, NSW

Assistant in Nursing (AIN) | March 2025– Present

- **High-Acuity Care:** Deliver person-centered care for 40+ residents with complex needs, including dementia and chronic health conditions, ensuring maximum independence.
- **Clinical Vigilance:** Conduct physiological monitoring and report subtle changes in health status to the Registered Nurse (RN) immediately to ensure early intervention.
- **Advanced Mobility:** Expertly operate mechanical aids (hoists/lifters) and slide sheets for non-ambulatory residents while strictly adhering to WHS protocols.
- **Documentation Excellence:** Maintain rigorous real-time records in **eCase**, including bowel charts and fluid intake/output, ensuring data is audit-ready.
- **Emergency Response:** Act as a first responder during falls or clinical emergencies, applying First Aid/CPR protocols and assisting RNs in stabilization.

Alkira Gardens | Miranda, NSW

Assistant in Nursing (Trainee) | Aug 2024 – Oct 2024

- **Dementia Excellence:** Utilized validation and redirection techniques to manage behaviors of concern and minimize agitation in residents with cognitive decline.
- **ADL Assistance:** Provided high-standard hygiene, grooming, and nutritional support, consistently maintaining resident dignity and comfort.
- **Infection Control:** Executed strict NSW Health sanitation standards during peak flu/COVID periods to prevent cross-contamination.
- **Team Collaboration:** Partnered with Physiotherapists and Lifestyle Coordinators to execute care plans and improve resident mobility outcomes.
